**THE SCHOOL OF THEOLOGY
ANNOUNCES SUMMER SESSION**

During the first 10 days of the summer session lectures will be given on the conference courses of study, followed by examination upon the same. Under certain limitations credit toward a theological degree or certificate will be given such students as have previously completed the lesson sheets of the Correspondence School. No extra fee will be charged. In some cases it is proposed that a conference course or a possible credit course may be not only a ten-day unit in itself, but the first part of a longer and more comprehensive study lasting the entire summer term.

Arrangements have been made for the bringing to the University of lecturers of national reputation.

* * * *

The Correspondence School has been thoroughly organized and is now in operation under the leadership of Professor J. L. Cuninggim. The advantages of this department to preachers everywhere needs no commendation.

* * * *

The fall, winter, and spring terms of the School of Theology are unsurpassed in opportunity for the young men of the ministry who wish to take part in the days of reconstruction following the war. The equipment thus to be secured is a necessity to them.

* * * *

The other schools and departments of the University have been patronized practically to capacity during the last two years. This year, with a larger matriculation than ever, conditions on the campus have been such that not a day was lost during the epidemic of influenza, nor a serious case of the disease found among the student body. Steady growth, splendid financial condition, and excellent privileges in faculty, library, laboratories, and in the City of Dallas, should elicit both satisfaction and pride from the Methodists west of the Mississippi.

BOARD OF EDUCATION.

Your Board has given diligent and prayerful attention to all the interests that have been referred to it. We rejoice in the successful year just closing, and join with enthusiasm in the forward movement now engaging the attention of the Church.

Southwestern Methodist University.

The Trustees of this school report a year of prosperity despite conditions entailed by war and the unsettled conditions. They have probably the largest S. A. T. C. in the Southern Methodist Church, and have turned young women away for lack of room.

The School of Theology.

This had an enrollment of 98 during the past year, and is filling a largely felt want and imperative need. The correspondence school, closely affiliated with the School of Theology, offers special advantages to all undergraduates, and post-graduates as well. We recommend an assessment of \$8,500.00 for the academic department of S. M. U. We further recommend that the Bishop appoint L. J. Waggoner and W. M. Anderson as students, and James Kilgore and H. M. Whaling, Jr., as professors in S. M. U.

We further recommend that the Conference adopt the Summer School of Theology as its Summer School.

Southwestern University.

This institution fills an important place in the intellectual and religious life of the Church and State. There never was a time when it was more needed and its opportunity greater. Its record during the past year in spite of adverse conditions is a delight to its friends, and we bespeak for it a larger and greater usefulness. We recommend that an assessment of \$8,500 be made for S. W. U., and that L. B. Elrod, W. F. Bryan and C. B. Garrett, and G. Q. King of Crockett, be elected Trustees.

Alexander College.

Alexander College has enrolled 120 in the S. A. T. C., having a total enrollment of nearly 200—the largest in its history. We recommend that an assessment of \$6,750.00 be made for Alexander College, the same to be used in retiring bonds and paying interest. We further recommend that the General Board of Education be requested to give \$2,000.00 per year, the same to be used for maintenance. We recommend that C. U. McLarty and E. W. Potter be requested to examine the books and report to this Conference a year hence the amount of outstanding bonds, money on hand, etc., and how all money has been applied. We recommend that the following be elected Trustees, the term of office to expire as herein indicated: A. T. Walker, 1921; C. W. Hughes, 1922; S. S. McKenney, 1922; Hon. T. E. Acker and Hon. B. D. Dashiell, 1921; W. D. White, 1921; J. W. Goodwin, 1922; Leroy

Trice, 1922; B. J. Hawthorne, 1923; W. C. Bolton, 1923; and S. D. Goodson, 1923.

Texas Woman's College.

We rejoice in the work of T. W. C., and in complinace with the agreement to accept no assessment for T. W. C., we recommend that E. W. Solomon and E. W. Potter; B. H. Powell of Huntsville and H. B. Goodman of Galveston, be elected Trustees.

Wesley Bible Chair.

We rejoice in the work of T. W. C., and in compliance with the at the State University. We recommend the appointment of Jas. Kilgore as Conference Secretary of Education. We further recommend that E. W. Solomon and W. F. Bryan be appointed to attend the meeting of the Educational Association. We recommend an assessment of \$300.00 for the Summer School of Theology, and one of \$450.00 for the use of the Board of Education. We heartily endorse the campaign for \$5,000,000 for S. M. U., also that for an endowment of S. W. U., and request the co-operation of all our pastors with T. F. Sessions, the representative of S. W. U.

We recommend that the Texas Conference become a member of the Methodist Educational Association, and we hereby authorize the treasurer to pay the fee of \$6.00.

JAS. KILGORE, President.

E. W. POTTER, Secretary.

REPORT OF CHURCH EXTENSION.

We submit the following report:

The General Board of Church Extension has had a great growth during the last four years. The amount raised from all sources has been \$2,335,144.10. The amount added to the loan fund has been \$563,919.24. This is gratifying, but does not meet the demands made upon the Board.

The several loan funds now amount to \$134,691.44. Our own Conference loan fund amounts to \$7,094.21.

During the quadrennium just closing our own Board has raised the sum of \$37,675.33.

We are now not only beginning a new quadrennium, but we are entering a new era in the world's history and the activities of the church for a world-wide conquest for the Kingdom of God.

We make the following recommendations:

First: Let each presiding elder give an opportunity for some member of this Board to present the cause of church extension at his district conference.

Second: Let every preacher in the Conference at some time during the year preach on the subject of church extension and explain clearly the annuity bond system.

Third: Let our preachers avail themselves of the architectural department of the General Board when building churches or parsonages.

Fourth: That they secure from the General Board the free literature it has for distribution.

Fifth: That we make a strenuous effort to secure every dollar of our assessment for the coming year.

The assessment made by the General Board for the coming year is \$12,500.00. Your Board has added to this amount \$750.00 for the work in our Conference.

We have appropriated to the Church Extension Board of the C. M. E. church to aid in the erection of their church extension edifice the sum of \$83.77.

We recommend the following plan for meeting our obligation to the Representative Church at Washington, D. C., viz: That the presiding elders of the various districts be asked to formulate plans for raising the amount herein apportioned to each district, such apportionment in no sense to be regarded as an assessment:

Beaumont District.....	\$225.00	Brenham District.....	\$175.00

BOARD OF MISSIONS.**Report No. 1.**

By far the most important matter before American Methodism is the Centenary of Missions. The call to intercession and stewardship, which shall result in the laying on the altars of Methodism \$125,000,000 is the most timely call that ever fell upon the ears of the church. Surely this movement is born of God. Our people, growing rich with dangerous rapidity, need to have large demands laid upon them, and \$35,000,000, the amount asked of our church, is the least amount with which we can carry out our program in the next five years. The Centenary Commission has asked this Conference to raise \$1,301,589, and we recommend that we accept this amount to be raised in the next five years.

J. W. MILLS, President.

J. C. CARR, Secretary.

REPORT OF BOARD OF MISSIONS.**Report No. 2.**

In spite of the distracting and burdensome war conditions, the cause of missions has gone steadily forward. The year 1917 was our greatest Missionary Year. The income of the General Board from all sources for all departments was \$1,523,531.00. This was an increase of \$258,172 over 1916. This was not only by far the largest income, but was also our largest increase. It is gratifying to note that all departments, Home and Foreign, General Work and Woman's Work,

shared in this increase. The year 1917 saw the last of the debt that had so long troubled and hampered the Board. We are now prepared to go forward to larger things. The Church is face to face with her greatest challenge and her greatest test.

In the providence of God, our Missionary Centenary comes in the midst of this crucial hour in the world's history. The General Conference has by unanimous vote authorized and provided for a worthy celebration of this great event, and set for the Church the most gigantic task ever conceived. We are glad to note that in the adoption of the Report No. 1 of your Board, the Texas Conference has accepted its share of the amount apportioned the whole church, and we recommend that J. E. Morgan be appointed by Bishop Ainsworth as Conference Missionary Secretary to go into the field and secure \$1,301,589, our share of the \$35,000,000 undertaken to be raised by the whole church in the next five years.

Your Board is delighted to be able to say that during the quadrennium just closing, it has paid all appropriations made by this Board with greater punctuality than has ever occurred before in the history of the Conference. In order to do this the Board borrowed \$1,000 the first year of the quadrennium, but has liquidated the debt, acquired a nice surplus, and is able to appropriate the coming year the full amount asked by every Presiding Elder in the Conference.

The assessments for the next year are as follows:

Foreign Missions	\$23,345
Home Missions	7,555
Conference Missions	20,000
<hr/>	
Total.....	\$50,900
Increase over last year.....	15,850

This may seem to some a large increase, but God is calling us to larger things. Let us face the future with larger faith and increasing liberality, and lay on His altars such part of our material possessions as will evidence our devotion to His cause.

We recommend Glenn Flinn, O. F. Zimmerman and E. C. Escoe as Conference Evangelists.

We have appropriated the following amounts to the several Mission Charges:

SUNDAY SCHOOL BOARD.

Report No. 1.

Your Board is conscious of the relationship the Sunday Schools of the Texas Conference must sustain to the Centenary campaign. We would meet this responsibility in the fear of God, and to the credit of our Conference. A man of special parts is needed for this important work. We therefore ask at your hands an assessment to make this work possible financially. We also ask that we be permitted to employ this man through the advice and co-operation of Dr. E. B. Chappell, and those associated with him in the Centenary movement. The greatest success of the Centenary movement, and the wise co-operation of the Sunday schools of this Conference we believe is involved in this vital movement. (Not adopted.—Editor.)

Report No. 2.

We note with pleasure the widening influence of the work of the Sunday Schools. Dr. E. B. Chappell, General Secretary of the Board, met with us and the general statistics brought to us show gratifying results. The circulation of miscellaneous periodicals is approximately 250,000; total circulation of Uniform Lessons nearly 2,000,000; total circulation of graded lessons nearly 2,250,000; number of Sunday Schools nearly 18,000; number of scholars nearly 2,000,000, and approximately 80,000 joined the Methodist Church last year. The general work of the Sunday Schools is well organized, and in good hands.

The Conference Work.

The Sunday Schools of this Conference not only have been places of Bible teaching and spiritual instruction, but also centers of patriotism and sources of charity for a suffering world. Brother W. E. Hawkins has been in the field this year as Field Secretary. He found the Board between \$700 and \$800 in debt, and he leaves the Board after a year's work, out of debt. He has held 50 institutes; made 408 Sunday School addresses; traveled several thousand miles.

Financial Statement.

Cash on hand, \$314.10; total offerings, \$882.20; traveling expenses, \$270.15; Field Secretary received offering of \$612.05; from Conference Treasurer, \$614.74, thus making the salary of the Field Secretary \$1,226.79; Children's Day expenses, \$60.60.

It is the mind of your Board that all available funds be turned over, for this year at least, to the Centenary movement, as W. E. Hawkins will be in the Sunday School work on an independent basis.

W. F. ANDREWS, Chairman.
P. T. RAMSEY, Secretary.

REPORT OF EPWORTH LEAGUE BOARD.

Your Board calls attention to some of the new laws, relating to this important work, passed by the last General Conference, and to emphasize the League and its work.

1. The law requiring chapter membership fees has been repealed, and now $1\frac{1}{4}\%$ of all moneys collected by the Treasurer will go to the support of the work of the General Board. We also expect the Conference work to be taken care of in the same manner as other boards through the Commission on Finance. This will adequately care for the financial end of the League, and will also call the attention of the Church to this department as has not previously been done.

2. Anniversary Day. We urge the observance of this day as required by the discipline on or about the second Sunday in May. If there is no league the day is to be observed as young people's day, with the view of organizing a league.

3. We call attention to the part our League has in the Centenary movement. It has assumed \$200,000 for the African Special; \$100,000 for the building program of Payne College; and \$80,000 for the general budget. Besides this the League agrees to be responsible for 200 of the 500 volunteers required for the next five years.

4. We urge co-operation with the Texas Methodist Assembly. We had before us the resignation of Terry W. Wilson as trustee, and we recommend the election of R. M. Kelley.

5. The President and members of the Board stand ready to assist the presiding elders and pastors in any way possible, and it is hoped that these will be used. Let us no longer neglect this important work, but see to it that Leagues are organized in all our churches to do the work for our young people the Christian Endeavor is doing for other churches, so that leaders may be developed in all of our church work.

A. T. WALKER, President.

IRA F. KEY, Secretary.

REPORT OF THE ORPHANAGE COMMITTEE.

We, your Committee on our Orphanage, beg to submit the following report:

We would call the pastors' attention to the fact that we have no assessment on our Conference for our Orphanage. We would urge the presiding elders to call the pastors' attention to the Orphanage and urge them to take a liberal offering for same in the near future.

We regret the fact that some of our churches did not take a collection for the orphanage this year. The manager, J. N. McCain, is very anxious to open up two more dormitories for orphan children. His plans are to celebrate the birth of Christ, Christmas day, by opening up two dormitories, a school-room and a chapel. This will make it possible to take care of one hundred and twenty-five more children

than we now have in the home. To do this we must raise several hundred dollars for furnishings. Then we must have larger contributions to feed, clothe and educate these children.

We would suggest that each Sunday School, Epworth League and Missionary Society have some part in caring for our orphans. Twenty dollars will place a bed in one of the new dormitories and give room for another orphan child. Two dollars will place a chair in the new chapel.

The individual method of clothing the children is a great help to the Orphanage. We would urge its continuation.

Your Committee would suggest that all money raised by our pastors for the Orphanage be sent direct to our Conference Treasurer, G. W. Glass.

We pledge our co-operation to the management of the Orphanage and ask our pastors to give Brothers Mulkey and Gray, who are working for the Orphanage, access to their people.

W. WOOTTON, Chairman.

AMERICAN BIBLE SOCIETY.

The Southwestern Agency reports a record-breaking year. A total of 221,431 volumes of the Scriptures have been distributed—or 68,376 more than in any year of its history. These volumes were printed in thirty different languages, distributed by 42 workers who travelled 26,646 miles and visited 27,931 homes.

The Society has afforded indispensable aid to Home Mission work by donating Bibles to the poor, selling to all at factory cost, supplying the blind, needy Sunday Schools and missions, jails and penitentiaries with the Scriptures, and furnishing soldiers and sailors with khaki Testaments free of charge.

E. G. COOKE, Chairman;
W. D. WHITE, Secretary.

REPORT OF BOARD OF SUPERANNUATE ENDOWMENT FUND.

The Board of Superannuate Endowment would respectfully submit the following report:

Considerable progress has been made with this important work during the year. The Commissioner, A. A. Wagnon, has done faithful work in presenting the matter to our people, and has secured in cash and subscriptions approximately \$25,000. Several churches have assumed their full pro rata of the \$500,000. It is the profound conviction of our Board that the obligation to provide an adequate support for all of her ministry, the Conference Claimants, no less than the active pastor, should be provided by each generation as the requirements arise; and for this generation to do that we shall need to de-

pend upon increased assessments, rather than upon the securing of endowments, and that it should become the fixed policy of this Conference to increase assessments for Conference Claimants as rapidly as possible, not less in any year than \$5,000, until the amount thus raised shall be sufficient to meet the minimum demands of our Conference Claimants, which should not be less than the average per Conference Claimant of \$500 per year, and we so recommend to your consideration.

It is the sense of this Board, in view of the action taken by the General Conference, giving a Centennial of Missions precedence over all other matters for the next two years, that the active campaign for the securing of our Conference Superannuate Endowment Fund should be discontinued until this interest is taken up by the Board of Finance, and a general campaign throughout the church is inaugurated.

We, therefore, recommend that a Field Secretary to this Board be appointed, without salary, to keep this interest before the people, and conserve the work already done in-so-far as his other duties will permit. We recommend William D. White as Field Secretary.

Respectfully submitted,

W. W. WATTS, President;

T. E. ACKER, Secretary.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We, your committee on Books and Periodicals, submit the following report:

Altho we were all sorry to see Dr. Bradfield lay down his pen as editor of The Texas Christian Advocate, yet we rejoice that such a worthy and capable man as Bro. A. J. Weeks has been selected to fill this most important and responsible position. During this reconstruction period the religious press should and will exert a tremendous influence in leading us into a new and better perspective of the obligation devolving upon the ministry and laity alike. In order that The Texas Christian Advocate should become more universally read in the homes of Methodists, we recommend that the goal for the Texas Conference be set for at least 10,000 subscribers, which figure is several thousand more than the present subscribers, but which is then only one-half of the Methodist homes in this Conference. We recommend further that the editor be invited to preach in as many pulpits as his time will permit.

We further recommend that our preachers stimulate the circulation of our other church publications, including the Epworth Era, The Methodist Review, and The Nashville Christian Advocate, all of which need introduction to a larger number of Methodist homes.

The report of the Publishing House which has been submitted to us, shows that during the past year \$46,500 has been paid on liabilities, and that there has been a net profit of \$18,427.10. Inasmuch as all the profits of our Publishing House go to the support of the old,

worn-out preachers, and the widows and orphans of our preachers, we do earnestly urge our people to patronize Smith and Lamar as far as possible. Especially do we urge the discontinuance of ordering song books from other publishing houses than the Methodist.

Respectfully submitted,

K. E. BARNHART, Chairman;

F. O. FAVRE, Secretary.

Reports of Committees

SPIRITUAL STATE OF THE CHURCH.

We submit the following report on the Spiritual State of the Church:

We gather from the reports of the Presiding Elders that there have been about 5,000 additions to the church by conversion and otherwise during the past year.

We are glad to note that the revival fires have been burning and glowing upon our altars in many charges and that the work of God has prospered under the ministry of our faithful pastors this year.

We most sincerely believe that upon the spirituality of the church depends our success as winners of souls, and that we must realize the great truth as expressed by Paul, the greatest of the Apostles: "If any man have not the Spirit of Christ he is none of His." We must also profoundly meditate upon another great truth uttered by Paul when he said: "For to be carnally minded is death, but to be spiritually minded is life and peace."

The church cannot live and prosper as it should, unless both its ministers and members live the great truth of the Gospel as well as believe them in their hearts. Now, inasmuch as the laity of the church cannot be expected to surpass their leaders and pastors in their spiritual experience, we therefore urge all our ministers to cultivate a higher degree of spirituality and a more profound consecration to God, and walk in the paths of holiness more than ever before.

Now that we are just emerging from under the clouds and darkness of the most tragical war that the world has ever known, and entering into the period of reconstruction and transition, both in church and state, it behooves the church to put on the armor of God that we may be prepared to wage a successful warfare against the social and political evil with which we will have to contend. To this end that we may come out victorious over the evils of the coming conflict, we would earnestly urge our preachers and people to cultivate the habit of secret prayer and constant intercession, and that we endeavor to use all our influence with the heads of families in their homes to erect altars and to attend prayer meetings, and the regular preaching of the Gospel more than they have ever done before.

Respectfully submitted,

J. C. STEWART, Chairman;
W. W. HORNER, Secretary.

THE WAR WORK COMMISSION.

We, your Commission of War Work, desire to make the following report:

It is very gratifying to us that the activities of our church have been fruitful of such splendid results.

According to reports by camp pastors there have been more than 5,000 conversions in Texas camps; and many of these our own Texas boys.

There has been raised in round numbers for army work during the past year just closed, \$62,000. Our part of this has been \$5,000 spent in camps outside our own Conference, namely: Camp Bowie and Camp Travis; and \$6,940 expended within the bounds of our own Conference in camp work.

By action of the War Department the camp pastor work closed on the first of November of this year.

There will be no further demand for this work on our local Conference, but in harmony following the action of the General Conference, we now fall in line with the plans outlined by that body.

Respectfully submitted,

R. W. ADAMS, President;

P. T. RAMSEY, Secretary.

REPORT OF COMMITTEE OF CENTENARY.**Distribution of Assessments.**

We, your committee appointed to distribute to the districts our portion of the amount of the \$35,000,000 to be raised by our church in the Centenary Campaign, the amount of which is \$1,301,589, which is to be raised in a period of five years, beg leave to make the following report:

We will have credited on this amount \$623,450 from the following

sources: Woman's Work, Home and Foreign, \$52,000 per annum; Foreign Mission Assessment, \$23,345; Home Missions, \$7,555; Conference Mission, \$20,000; Church Extension, \$12,500; Sunday Schools for Missions, \$9,300; making a total of \$623,450, this leaving a balance of \$676,139 to be raised by the Conference, distributed upon the districts as follows:

Beaumont District	\$56,761.00	Marshall District	\$62,146.00
Brenham District	51,172.00	Navasota District	67,709.00
Houston District	79,785.00	Pittsburg District	75,443.00
Jacksonville District	73,951.00	Timpson District	71,211.00
Marlin District	70,514.00	Tyler District	67,437.00

These amounts are based upon our Conference scale.

R. W. ADAMS,
W. H. VANCE.

TEMPERANCE AND SOCIAL SERVICE.

Your Committee on Temperance and Social Service begs to submit the following report:

We rejoice in the growing sentiment in favor of prohibition of the liquor traffic. We note with gladness the large majority polled in several recent local option elections in parts of the State of Texas hitherto dominated by the anti-prohibition element.

We have noted with sorrow the recent action of the Court of Criminal Appeals holding as unconstitutional the State-wide prohibition statute, and we strongly commend the heroic effort of the State's Attorney General to prevent the re-opening of licensed saloons.

We note with gladness that a representative meeting of Texas prohibitionists has been called to meet in the city of Austin on the 11th day of December for the purpose of preparing and agreeing upon an amendment to the Constitution of this State prohibiting the sale of alcoholic liquor, so that it may be ready for the Legislature which convenes in January.

We recommend the passage by this Conference of the following resolutions: First, "That we offer fervent prayer to Almighty God that righteousness may govern the Supreme Court of highest jurisdiction in their final judgment of cases now pending relative to the enforcement of the will of the people of this State in reference to the liquor traffic.

Second. That we, the Texas Annual Conference, do earnestly petition the coming session of the State Legislature to hasten the submission of the Constitutional Amendment to a vote of the people of this State whereby the people may, at the earliest possible date, express their will by popular vote, prohibiting the sale of liquor.

Third. We request the following brethren to attend the meeting of prohibitionists in Austin, Texas, December 11, 1918, and represent the wishes of Methodism in the bounds of the Texas Annual Conference:

Bishop W. N. Ainsworth, H. D. Knickerbocker, W. W. Watts, E. R. Barcus, J. W. Mills, C. T. Talley, Hon. Thos. H. Ball, Houston; Hon. Cone Johnson, Tyler; Hon. John C. Box, Jacksonville; Hon. W. L. Dean, Huntsville, and Hon. E. A. Berry, Madisonville, Texas.

JOHN E. GREEN, Chairman;
G. W. RILEY, Secretary.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

We, your Committee on District Conference Records, beg leave to submit the following report:

The records of the Tyler, Houston, Navasota, Marshall, Jacksonville, Pittsburg, Brenham and Beaumont Districts were examined. All were very well kept, especially that of the Navasota District.

The Marlin and Timpson records were not before us.

Respectfully submitted,

JOHN W. WARDLOW, Chairman;
C. E. CLARK, Secretary.

SABBATH OBSERVANCE.

We note with pleasure and satisfaction the work that is being done by the Interdenominational Lord's Day Commission. Last December there was organized a Texas Alliance Auxiliary of the United States Alliance, thus making us a part of an organization that has been in existence for many years.

It requires no argument to show the wisdom of such an organization for if one part of our country loses its Sabbath we all suffer—"united we stand; divided we fall."

We tremble with apprehension when we see how the Lord's Holy Day is desecrated and turned into a day of commercialism and pleasure. From the creation the Lord set it apart for a day of worship. The worst foes that the Sabbath has is the automobile, and the motion picture show, which has a capital of \$500,000,000.

We urge that our preachers give special attention to this work from their pulpits, and that they preach upon this subject at least once a year. And that they get the co-operation of their officials and Sunday School teachers to aid them in the preservation of the sacredness of the Lord's Holy Sabbath.

Yours respectfully,

E. W. POTTER, President;
GEO. E. KEMP, Secretary.

**REPORT OF COMMITTEE TO AUDIT CONFERENCE
TREASURER'S BOOKS.**

Brethren:

Your committee appointed to audit the books and accounts of our Conference Treasurer, G. W. Glass, report that we have performed that duty and find that the totals of all funds received and disbursed by him correspond in every respect with his report made to the Conference, and in all things find his books correctly and neatly kept.

Signed:

W. F. DAVIS,
S. W. THOMAS,
B. J. HAWTHORN,
Committee.

RESOLUTION OF THANKS.

We hereby extend our sincere thanks to the good people of Timpson for their unbounded hospitality and courtesy; to Bishop Ainsworth for his kindness and painstaking care; to the Secretary, his assistant; to the Statistical Secretaries to the local churches for their courtesies, and to the press for their reports. We pray the blessings of God upon the people of this city, and wish for them enlarged prosperity in the years to come.

W. H. VANCE,
E. W. SOLOMON,
O. T. HOTCHKISS.

Adopted by unanimous vote.

CERTIFICATES OF ORDINATION.

On Sunday morning, November 10, at my home in San Antonio, Texas, I ordained as a Deacon, Rowland C. Goens, a traveling preacher of the Texas Conference, and at the same time and place, with the assistance of the Elders present, I also ordained him as an Elder; both ordinations being authorized by the Committee of our church for the Election of Chaplains for the United States Army and Navy.

JAMES CANNON.

I, William N. Ainsworth, one of the Bishops of the Methodist Episcopal Church, South, hereby certify that on October the 29th, 1918, in the First Methodist Church of Austin, Texas, assisted by certain Elders, I ordained DeWitt Stuart Hotchkiss an Elder, he having been approved for such by the War Work Commission of said church.

WM. N. AINSWORTH.

2. The Committees on Admission and on Memoirs shall be appointed at the same time the other boards and committees are appointed, and shall hold through the quadrennium.

3. The editor and publisher of the Conference Journal shall be elected by the Conference at the same time the boards are elected, and shall serve during the quadrennium.

He shall be elected at the same time of the election of the boards and standing committees, on the nomination of a committee provided for in Rule No. 9, and shall serve during the quadrennium, unless he shall sooner resign or be removed for cause. On the last day of each calendar month he shall report and remit to the treasurers of the several boards the funds collected during that month for each board. His books and papers shall be subject to examination at all times by the Committee on Supervision, and they shall be audited at least once in each Conference year by an agent or committee appointed for that purpose by the Committee of Supervision.

9. The presidents of the Boards of Finance, Missions and Church Extension shall compose a Committee of Supervision of the Conference Treasurer, and shall effect a contract with the said Treasurer for the due performance of his duties, according to the provision of the Discipline. They shall hear, investigate and adjudicate any complaints that may arise against the Conference Treasurer concerning the performance of his duties. They shall have access to his books and papers at all times, and shall cause the same to be audited annually as provided in Rule No. 8, and shall transmit the report of Auditor or Auditing Committee to the Conference. They shall have power to vacate the office for cause, and in case of a vacancy ad interim to appoint a Treasurer to serve until the ensuing session of the Conference.

10. The Treasurer of the Conference shall close his books for the receipt of money for the Conference year at 12 o'clock noon sharp on the third day of the Conference session. All moneys coming to him after that time shall be disposed of as if of the following year.

11. Pastors reporting moneys to the Conference Treasurer later than noon sharp on the third day of the Conference session shall not enter such amounts so reported in their statistical reports of the current year, but they shall be reserved for the ensuing Conference year.

12. The Bishop to preside, and the Presiding Elders shall appoint some one to preach upon some phase of Christian doctrine on the evening preceding the first session of the Conference.

Memoirs

GEORGE AMANDUS LE CLERE.

George Amandus Le Clere, son of Louis and Mary Le Clere, was born in Brownsville, Pa., August the 11th, 1852. We are not informed as to his early advantages in educational, financial and social matters, but the final outcome in his life indicates that these were fairly good, for he was a man of many good parts.

He was converted under the ministry of Rev. L. B. Miller, and joined the M. E. Church in December, 1864, in his native town, when he was but twelve years old. Licensed to preach in May, 1878, by Rev. J. A. Miller. He was admitted on trial in the East Texas Conference at Palestine, Texas, December 3, 1879. Ordained deacon by Bishop H. H. Kavanaugh at Jacksonville, 1881, and Elder by Bishop Linus Parker at Henderson in 1883.

The following are the charges served by Bro. Le Clere: Prairieville Mission, 1880-81; Bellville Circuit, 1882-83; Beaumont District, 1884-85; Longview Station, 1886-87; Palestine Station, 1888-89-90; Nacogdoches Station, 1891; Willis Station, 1892-93; Cameron Station, 1894-95-96-97; Calvert District, 1898; Austin District, 1899-1900; Houston District, 1901-3; Crockett Station, 1904; Harrisburg, 1905; Calvert Station, 1906. This was his last effective work, going on the Superannuate roll at the close of his service at Calvert. He died at his quiet little cottage home in Houston, Texas, on April 12, 1918.

The above figures—all we have at hand—give us but a few brief facts in the laborous life of our departed brother. Summed up, they are birth, conversion, church membership, consecration to the work of the ministry, death. The days and even years of close study, that he might show himself approved unto God, a workman without shame, do not appear.

But he was a student. He read current literature, he read books, many of them, and some great books. Through them he held converse with the great minds of the past, and masters of the present. Nor do these figures give the thousands of weary miles traveled, nor fatigue and hardship endured. They do not name the souls converted and numbers added to the church, nor the wavering ones who were steadied, and held in the way till heaven's gates swung open to receive them.

Brother Le Clere's natural gifts, joined with his habits of study, and his association with the best people and brightest minds of his day, made him a strong preacher. He was able to rightly divide the word, and give to the mature its strong meat, and the immature—the babes—their milk. His gospel was meat and milk, and such a gospel is ever fruitful, and his brethren are comforted in believing that he did not meet his Lord empty-handed.

George A. Le Clere was a good, all-round preacher and pastor. By the time he had finished his course of study he had developed such

aptitude in administration that at the Conference where he was ordained Elder, he was appointed Presiding Elder by Bishop Linus Parker. His first three years in the ministry was spent on the Prairieville Circuit, one of the poorest, if not the very poorest, circuits in the Conference. But his fourth year was on Bellville Circuit, perhaps the very best one in the Conference. After his two years on Beaumont District, he was assigned to Longview Station. Thus in eight years of service he had covered all classes of our work. His labors were not confined to the pulpit or routine work of the church. He was interested in and took an active part in our educational work, missions, church extension, and was at some time in his active ministry a member of all the boards that handled these various enterprises of the church.

Brother Le Clere, like all men of earth, was subject to trials and tribulations, and at times the storm would break upon him, but by God's help, he outweathered them all, and in the eventime of life there was calm, and when the night of death came there was peace.

SIMEON DAVID HORGER.

Simeon David Horger, son of John M. and Penelope Horger (nee Blount), was born in Newton County, Texas, July 4, 1857. His parents were poor, and he was brought up on a poor little East Texas farm, without any educational advantages, and where hard work was a part of his heritage. As he grew older, his thirst for knowledge became keener and keener, and he sought by hard study and application to overcome as far as he could, the limitations that were around him in his school days. He made his Bible his almost constant companion, and read it and studied it, and pored over its pages, until he became well versed in it and made it "a lamp unto his feet and light unto his path." When sixteen years of age, he was converted, and joined the Methodist Episcopal Church, South, at Farr's chapel, in Newton County, near his childhood home, where he lived nearly all of his life. Many, many times in the years that followed that happy day, when trials came, and testing times arose, his thoughts would carry him back to that old country church where Christ spoke peace to his soul, and there he would get new courage and strength for the battles that he had to fight.

He was licensed to preach in 1891 at the church where he was converted. W. A. Sampey was Presiding Elder. For 14 years he was a useful local preacher and supplied several charges before entering the regular itinerancy. Among them were Orange Mission, 1893; Newton Circuit, 1894; Wallisville, 1903, and Silsbee, 1905. At the end of his first year as supply on the Silsbee charge he was admitted on trial into the Texas Conference at its session at Pittsburg in 1905, and was sent back to Silsbee charge, and remained there 1906-07 and 1908, thus finishing the quadrennium. The other charges served after joining the

Conference were: Travis Circuit, 1909-10; Montgomery Circuit, 1911-12-13-14; Willis, 1915; Groveton, 1916 and 1917. At our last Conference he was appointed to Sealy, and did a fine year's work up to the time of his sickness and death. He was ordained while in the local ranks, Deacon at Palestine by Bishop Granberry in 1897, and Elder at Tyler by Bishop Wilson in 1901.

Brother Horger was a devoted Christian man and a worthy example of the gospel that he preached to others. Those who knew him best loved him most, and had the greatest confidence in his profession. No one doubted his goodness; and by his quiet, gentle, consecrated life he reached and won men who were unmoved by others who were more eloquent and learned.

His educational advantages were very limited, but his Bible had great attraction for him, and it was the one book that he read, and studied. Even when a young man on the farm he would carry it to the field with him, and read it much, and made it his companion and guide. His preaching was earnest and evangelical, and his ministry was honored and blest in the conversion of many who waited upon his ministry. He belonged to that large company of Methodist preachers who serve faithfully in humble and inconspicuous places, but whose consecration and devotion and faithfulness win for them a place that is as enduring as the granite hills.

November 22, 1877, Horger was united in marriage to Miss Arthusia Harden, daughter of a Baptist minister, and they settled among the people where he was born, and became identified with all of the interests and good movements of the community. The woman whose hand he won in marriage proved to be a helpmeet indeed, and after he was called to preach and entered the itinerancy, she took her place by his side with readiness and adaptability that proved of greatest value to him. To this union six children were born, two of them passing over ahead of their father into the "Land of the Unsetting Sun." The other four, with their mother, are left to grieve over the death of our brother beloved, but they "sorrow not without hope."

His last sickness and death were peculiarly sad. While visiting the sick and burying the dead in his own pastorate, he was summoned to the bedside of his daughter, Mrs. May Westbrook. He reached her just a few days before she passed away, and on the day that she died he was taken very sick with pneumonia, and was too sick to attend her burial. For a week he made a brave fight to get well, and kept saying, "I must get back to my work; they need me, and Conference will soon be here." Little did he know that he would meet the brethren in the great Conference over yonder. But even so it was. Just a week after the burial of his daughter, they laid his body to rest at old Farr's Chapel in Newton County, to wait the resurrection of the just. We say he is dead. Not so. He lives. Yesterday he was in the land of the dying, but today he is "alive forevermore." With a smile on his lips, he went to sleep peacefully, October 24, an "rests from his labors."

O. T. HOTCHKISS.

REV. JAMES WARREN CULLEN.

Rev. James Warren Cullen, son of Rev. D. P. and Mrs. Ann Cullen, was born in Wynne Parish, Louisiana, December 2, 1859. Came to Texas with his father when a child and grew up in the pine woods of East Texas. He was converted under the ministry of his father in a meeting held by the writer at Nevil's Prairie, Texas, in July, 1885, and later joined the Methodist Church at Holly Springs, Texas. He was licensed to preach by Dr. John Adams July 3, 1889, and joined the old East Texas Conference on trial in the fall of 1891, in which he remained three years, serving Liberty Circuit two years, with 250 additions, and Moscow Circuit one year, 200 additions. He then transferred to the Texas Conference and served the following: Dickinson, two years, 142 additions; Pleasant Hill, one year, 187 additions; Cameron Circuit, two years, 195 additions; Lott and Chilton, two years, 155 additions; Ben Arnold, one year, 200 additions; Rogers Prairie, two years, 130 additions; Harrison Circuit, one year, 80 additions; Kelleyville, two years, 100 additions; Canton and Edgewood, two years, 135 additions; Alvin Mission, one year, 26 additions; Cedar Bayou, three years; Groveton, two years; Columbia, one year; Sour Lake, three years and Flynn Circuit six months. I have not the record of the last few years' work, but feel sure it will compare favorably with his success in the past.

I clip the following from the Texas Christian Advocate, written shortly after his death: "In his record in our files Brother Cullen says: 'I have averaged over ninety additions a year for twenty years. I have baptized 200 children and over 1,200 adults. Never failed but twice to get Conference collections, and then not my fault.'" He was ordained Deacon by Bishop Fitzgerald in 1891 and Elder in 1895 by Bishop Keener. Perhaps no one knew and loved Brother Cullen better than the writer, outside of his immediate family, and it is a pleasure for me to record my testimony to his pure life, nobility of character and his faith in God. Brother Cullen was happily married to Miss Janie E. Deets March 11, 1894, which union was blessed with two daughters, Mrs. Clairette Smith, of Sweeney, Texas, and Margie, who lives with her mother. Notwithstanding the meager support of a Methodist preacher, he gave them both a college education. No husband and father could be more devoted and kind. A letter from his wife says: "He made the mistake of taking all the hardships on himself and shielding us." While he was socially inclined and loved to mix and mingle with his people, there was to him no place like home. It was to him a palace, and if he ruled there it was with the scepter of love. His friendships were strong and sincere, because he was positive, plain, open and free in his dealings with men, and was always ready to declare himself plainly upon every important issue. He had one supreme consuming passion: To be a soul-winner for Jesus, and as he grew older was strongly tempted to quit the pastorate and go into the evangelistic work. His preaching was clear, strong, impas-

sioned, at times almost irresistible. Always Scriptural and Methodistic. He was delighted with his work at Flynn and was planning to hold his own meetings. But the tender Father had better things in store for him and on June 11, 1918, he said: "Come up higher." The call was sudden and unexpected, but it found him ready, and with the same alacrity and joy that for more than a score of years he had gone to his fields of labor, he responded to his Master's call.

As on earth he found his greatest joy in service, no doubt his translation was simply a promotion, and somewhere in the realms of light and glory he has taken up the higher work of the ministry. The funeral service was conducted by Rev. W. F. Davis, of Trinity Church, Houston, who had known him for many years, at the home of his daughter, where he had gone for a short visit. The Masonic fraternity, represented by the lodges of Sweeney, Angelina and Columbia, then took charge and followed by a large concourse of friends laid his weary body to rest in the beautiful cemetery of West Columbia, and loving hands covered the mound with the most beautiful flowers.

Farewell, my precious friend and brother, thy task on earth is done; the gates are past and heaven is won.

J. F. ARCHER.

MRS. EUNICE MARIE WAGNON.

Mrs. Eunice Marie Wagon, nee Bentley, was born in Lamar County, Texas, July 9, 1871; was converted and joined the M. E. Church, South, when nine years of age; was married to Rev. A. A. Wagon November 28, 1888. Eight children were born to this union, two boys and six girls. One boy and baby girl preceded her to heaven. She departed this life in Denton, Texas, December 30, 1917. This is the brief record of one of the purest, sweetest and most consecrated lives I have ever known. Sister Wagon came as near combining the graces and virtues of both Martha and Mary as any one I have ever known. She was a devoted wife, a loving and faithful mother, a diligent home-keeper and at the same time an earnest and faithful worker in the church. She delighted to work in every department of the church and was efficient in that work. She was particularly popular with young people. She was glad to throw her home open to the young people of the church wherever she lived and thus gained a powerful influence over them. She had the grace of hospitality in a high degree, and especially was any Methodist preacher welcome in her home. Sister Wagon was indeed a noble woman and was pre-eminently fitted to be the wife of a preacher. She had not been well for some time before the end came and for several days before her translation she was rapturously happy. She was conscious almost to the very last and spoke words of cheer and comfort to her husband and children. "She being dead, yet speaketh," and her memory as sweet ointment poured forth.

I. F. BETTS.

MRS. L. H. MCGEE.

Mrs. Francis Ellen McGee, wife of Rev. L. H. McGee, passed to her eternal reward July 18, 1918, in the town of Somerville, Texas, where her husband was pastor of the M. E. Church, South. The obsequies were attended by a large concourse of mourning friends in the Methodist Church of that place, from whence she was interred in the cemetery of Somerville. Mrs. McGee was born January 24, 1859. She and Brother McGee had been married and lived a happy life together as husband and wife for nearly thirty-nine years. They had seven children born unto them—four sons and three daughters—all of whom are living, and were all present at the interment, except one.

Sister McGee was converted early in childhood, and joined the Methodist Church, of which she lived a consistent member all her days thereafter. Her husband was not a preacher when they were married, but when he felt the call to preach, she was ready for any sacrifice and service a Methodist preacher's wife encounters. For more than twenty-five years she filled the place of an itinerant's wife, and she filled it full in the days of her health and strength. Few women had greater influence in the communities where she lived, and especially among her sex. Her influence entered largely in moulding moral character in communities where she resided. She was powerful in public prayer, because she lived much in secret prayer. She knew God and the secret place of power. She spent much time in reading the Bible, and this she did up to her decease.

Were there nothing else to testify to her genuine worth, the noble sons and daughters she gave the world would suffice. They are all grown and each stands out in the community as a testimony to Christian motherhood in blessing the world. They are all Christians, and rank well, officially and otherwise, in the church, and one of them is the mayor of the city where he resides.

Several years ago Sister McGee became afflicted and was never her real self thereafter. She was a patient sufferer, never complaining, nor did she ever talk of her trouble; strove, rather to hide it from others, and yet none knew better than she what it meant to her and her family. Slowly, but surely, through the years, the wick was burning down until the flame was extinguished, and the life went out. It was a triumphal departure. "Her works do follow her." Her bereaved husband and children know where to find her that there may be a reunion.

Better Sermons Build Larger Congregations,
Through Larger Congregations You Can
Do Your Most Effective Work.*

Happy-go-lucky sermons will lay no necessity upon the reason nor put any strong restraint upon the heart. Preaching that costs nothing accomplishes nothing. If the study is a lounge the pulpit will be an impertinence.

The right Book rightly used, helps us to be as well as to know; they awaken within us, as Lord Morley put it, the diviner mind; they rouse us to a consciousness of what is best in others and ourselves; and of all Gods gifts to man there are few that are to be more desired than an eager thirst to know the best that has been thought and said in the world.
